**RACE FOR
GLOBAL WATER**

FAIRFIELD, OHIO 5K RUN & WALK SEPTEMBER 17, 2011
a RACE BENEFITTING WATER FOR PEOPLE

Corporate Challenge

water for people

How does the challenge work?

- Have the largest number of people from your company to win the prestigious Water Drop Challenge award!
- Designate a Company Captain to organize and motivate you group to win.
- Tell any family or friends that sign up to add your company to the challenge team space on the flyer or online registration. Everyone you get involved counts!
- Show up on race day to run or walk for a great cause and have a fantastic time with community, family, friends, and co-workers!
- This is a trophy challenge that can be competed for every year-if you win your company's name will be on the award for the following year.

Visit ohio5k.tap.waterforpeople.org

Or Runningtime.net for more information

Prizes awarded to the top overall corporate team

Challenge registrations must be received by Monday September 12th, 2011 to be counted for your team.

Dear Potential Race Captain,

Imagine living your life knowing that your next drink of water could be the one that kills you. This frightening thought is a daily reality for an estimated 884 million people worldwide who do not have access to clean drinking water. Equally alarming is the 2.6 billion people who are without adequate sanitation facilities. Water For People helps people to help themselves through education and utilizing the available resources available in their region. With your help we can make a difference in the world for safe drinking water.

The second annual Race for Global Water 5k run/walk will be held on September 17, 2011 at Water Works Park in Fairfield. Our first race was a huge success with over 185 runners and walkers, 22 volunteers and the support of various donors and sponsors we were able to donate \$7,000 directly to Water For People! We challenge your utility or corporation to compete for the prized Water Drop Award, which will be given to the Utility or Corporation that has the most participation. This includes employees, family, and friends-anyone you encourage to sign-up! This fun filled family race will be followed with a free kids run for ages 12 and under.

Each Utility or Corporation should designate a Captain who will ensure all team members have registered (including the fee) by the due date Monday, September 12th. The Captain's duties and responsibilities are:

Recruit people from your organization and beyond to join your team!

Be a strong cheerleader capable of rousing the team.

Organize your team for group picture at the race. The winning team will be recognized on our website and at several regional meetings throughout Ohio.

We challenge your Corporation or Utility to take these traveling trophies from the 2010 winners!

Corporate Challenge:	Hazen and Sawyer
Medium Utility Challenge:	City of Hamilton Water Production
Large Utility Challenge:	Greater Cincinnati Water Works
Rural Water Utility:	Southwest Regional Water District

If you have any questions or would like more information on the race or Water For People, please contact me or log on to our website. We hope we can count on your utility to be represented at the second annual 5k Race for Global Water. Thank you in advance for your support.

Sincerely,

Pamela Davis
